**Subject:** Dewey-Burdock uranium mine Fw: FROM LILIAS: Call the EPA and BLM

Hello,

Another call was received in EISC regarding the Dewey-Burdock uranium mine requesting to be put on the list to be informed when action is taken on the project.

The caller was asked how she had learned to call the EISC number at Region 8 and she said that an email from the Clean Water Alliance provided the guidance to call EPA Region 8 at our number. I requested that she send a copy to our Group Email address and she kindly did so.

Our Yellow Pages contact database indicates that previous inquiries about PowerTech uranium mines involved Class V UIC wells. For that reason we have been referring calls to you Douglas. If there is another contact we should be referring people to please let us know.

Chris - you indicated that the proposed mine is near the Darrow/Freezeout mine. That mine which is having a preliminary assessment under CERCLA. However, you indicated that the proposed Dewey-Burdock mine is a separate issue.

**Subject:** Call the EPA and BLM

Greetings --

If you haven't already done so, please call the Environmental Protection Agency and the Bureau of Land Management. Both federal agencies will be issuing documents on Azarga/Powertech's proposed Dewey-Burdock uranium mine at some point. We don't want to rush them along, so please don't ask them to hurry. But we do want to let them know that a lot of people are interested in their permitting processes.

Please call each agency and just ask to be put on their list of people to contact. For the BLM, ask to be put on their list to be informed when they issue their Environmental Assessment for the Dewey-Burdock project. Contact Chip Kimball in Belle Fourche at [605-892-7001](tel:6058927001). For the EPA, ask to be put on their list to be informed when they take any action on the Dewey-Burdock

project. Contact their Denver Region 8 office at [303-312-6312](tel:303-312-6312).

Be patient -- they may only take a message and then call you back. But be ready to ask to be kept informed when they do call you back.

Only takes a few minutes. Let me know if you have any questions.

Onward --

Lilias
